## OUR MENU

1

### SHIO RAMEN

As one of our favourite options in our menu, our special shio ramen might be the best choice for you!

Containing our specially made broth with the combination of freshly made eggs and vegetables, we promise that it will smelt your tongue.

### SHOYU RAMEN

Oh are you the shoyu type of person? Then our self made version just has to be perfect for you!

Including our fresh and specially made beef including a large array of toppings, we have invented one of the strongest and most delicious taste out there.

### TONKOTSU RAMEN

Do you like meat? Then we made this one for you!

This version is probably the closest you will get to the thick taste of Tonkotsu Ramen without actually going to the place where it was created, in the Fukouka prefecture in Japan. (福岡県)
